#### Event Information

*Description:* Volleyball is played using standard rules and equipment. Dodgeball is a fast-paced, indirect contact sport. Players are divided into teams and positioned on opposite sides of a standard court, roughly the size of a volleyball court. Play begins with the blow of a whistle or signal and each player rushes to the center of the court to attempt to retrieve a ball, a standard 8.5" rubber playground ball. Each team must work collectively to eliminate players from the opposing team. Elimination occurs when a player is struck with a ball, steps across the center divider line, or when an opposing player catches his/her ball. Athletic clothing, footwear, eyewear, etc. is recommended. Basketball, Soccer and Volleyball are standard rules and gameplay.
